

Back to Basics wound study day

12th March
24th September

Time: 0830-1630

Venue: PDU Training room

How to register:

Email to register, CNM approval required: pdu.admin@lakesdhb.govt.nz

This day will use various methods to look at different wounds with strategies on how to deal with them.

Enabling nurses to develop an understanding of common wound dressings and application techniques.

This is an interactive day for participants to have hands on experience with different dressing & techniques relating to:

- Skin Tears - Realigning skin tears, dressing choices and ISTAP Classification
- Wound Assessment/TIME
- Pressure Injuries - Pressure Injury Assessment & Treatment Form and associated Bundles of Care, Dressing choice and application
- Negative Pressure Wound Therapy - Develop confidence in applying dressings and troubleshooting issues for NPWT & PICO, Practice using Renasys Touch & PICO 7
- Dressing Options - The right product, the right purpose

It is also a day to share your knowledge & engage in discussion
