

ECG Workshop

Facilitators: Erin Williams and Janet Atkinson

Date: 12th November 2025

Time: 0700-1530

Venue: PDU Training room

AIM:

This study day will build on basic knowledge obtained through Ko Awatea e-learning modules:

- Cardiology Recording an ECG
- Cardiology ECG Basics

Staff enrolling in this day must complete both e-learning modules (approximately 4-6 hours) prior to attending the sessions

OVERVIEW:

- Revision of online learning
- Supra and Ventricular arrhythmias
- Cardiac conduction blocks and myocardia ischaemia/infarction
- Putting it all together—Application of learning

LEARNING OUTCOMES:

- To develop knowledge of 12 lead ECG principles
- To recognize the normal adult 12 lead ECG
- To develop knowledge of the abnormal adult 12 lead ECG and the related pathophysiology
- To gain confidence in the application of a systematic approach to ECG interpretation

How to register:

Email to register, CNM approval required: pdu.admin@lakesdhb.govt.nz
